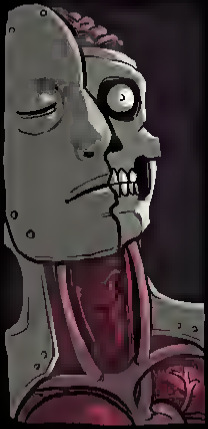
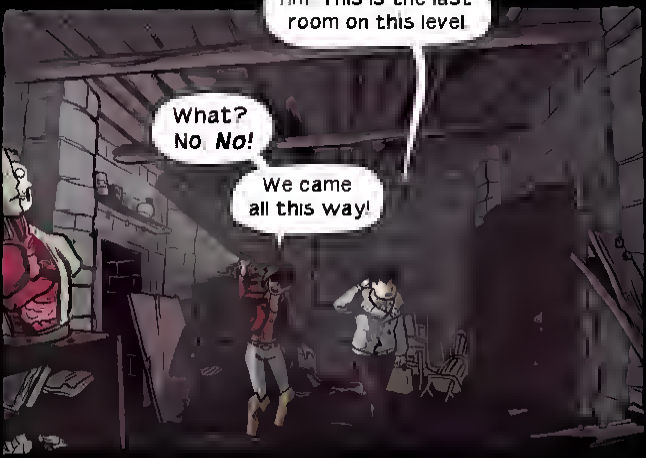
Get off of him!
GET OFF!
Cough!

Holy crap. Y'alright?
cough cough
Yeah.

Yeah
I'm fine.





Hm. This is the last room on this level.
What? No. No!
We came all this way!

Did the Visage mess up the hallways again?!
Hold on... bring your light over here?

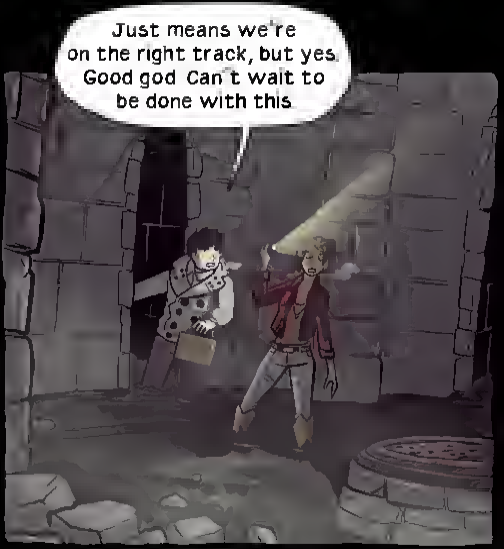
I'm thinking...
secret door.

Yup.

So these prohibition era or what?
Probably older than that. I'd wager this passage goes back to when the building was a hotel.

Hell, it's possible Broughton didn't even know about this.

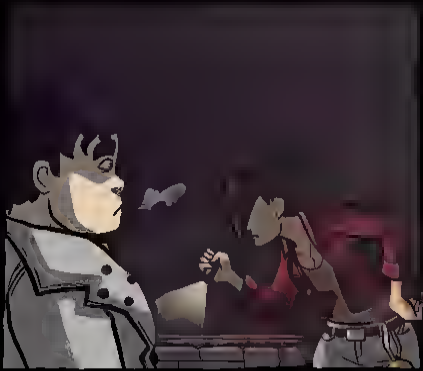
God.
It's freakin' freezing down here.



Just means we're on the right track, but yes. Good god. Can't wait to be done with this.

...Thanks, David.

For?
Just . If you'd not pointed out this passageway you probably *would* be done with this



Yeah, well.
I said an hour, right?
We've got a good twenty minutes left.
Pfft!

AAAG!!!
